Safe and Proper Tool Usage

PROGRAM LENGTH	80 Hours 7 Weeks (subject to change)
START DATE	May 6, 2019
MEETING DAYS	Monday, Tuesday, & Wednesday
MEETING TIMES	Night Class 5:00pm – 9:00pm
TOTAL COST	\$500 (includes: program cost, application fee, and cert exam fee)

COURSE DESCRIPTION:

The construction trades offer room for career advancement, and excellent mid-career wages. Let MTC help you prepare for a rewarding career in this growing local industry. Our Construction Core class will be held at our MTC East Campus facility starting in May of 2019. This class features the CORE curriculum designed specifically by The National Center for Construction Education and Research (NCCER), and will be taught by a certified instructor. The National Center for Construction Education and Research is nationally recognized by industry and government as the training, assessment, certification and career development standard for construction and maintenance craft professionals.

ENROLLMENT PROCESS:

- Contact MTC's Construction Department, 352-671-7273
- Request to be added to the course
- Determine scholarship eligibility
- Register at MTC's Student Fees office
(*payment must be made at the time of registration*)

CONSTRUCTION COURSE ORIENTATION:

Thursday, April 25 6:00pm, MTC Main Campus
1014 SW 7th Road, Ocala

*U. S. Bureau of Labor Statistics, Occupational Employment Statistics

TRAINING EXPECTATIONS:

- Construction Drawings
- Intro to Basic Rigging
- Intro to Material Handling
- Basic Communication & Soft Skills
- Job Site Safety Training
- Intro to Construction Math
- Basic Tool Training

EMPLOYMENT OPPORTUNITIES:

The construction industry is booming, especially in Marion County, and the need for skilled workers is growing. Employment of construction workers and helpers is projected to grow 13 percent from 2016 to 2026, faster than the average for all occupations*. Placement support with local employers will be available.

SALARY RANGE :

The Florida median annual wage for construction laborers and helpers was \$31,630 in May 2018.*

INDUSTRY CERTIFICATIONS:

By completing this course, students will receive a NCCER Blue Card and 10- hour OSHA Construction Card.
